Tick tick tock, tick tock  
that's the sound of my bomb  
Tick tock, tick tick tock,  
don't stop

You have been chained to me  
For all eternity

I can't wait until I hold you in my arms again  
Lock you in my heart, throw away the key and then  
Feed the fire, burning and consuming me  
Blood is racing through my veins, set me free

I'm such a fool  
To think that I can live without you  
You drive me crazy!

[chorus:]  
Don't wait, just go  
Don't hesitate  
This bomb keeps tick, tick, ticking away  
The race is on  
I am exploding  
(Put out this fire...!)

Surrender now  
Don't make me wait  
This moment's tick, tick, ticking away  
You're chained to me  
For all eternity

Tick tick tock, tick tock  
that's the sound of my bomb  
Tick tock, tick, tick tock,  
don't stop

Am I a sinner or a saint just for wanting you?  
You're like poison in my veins but no one else will do  
Tainted love, like a viper I will bide my time  
By the shadows, in the yard, I will make you mine!

Never a deal when you slipped through my hands  
I control the very soul of you  
You drive me crazy!

[chorus]

Surrender now  
Don't make me wait  
This moment's tick, tick, ticking away  
And now you'll see  
Truth will set you free

My blood for you  
Your blood for me  
This loving being  
Is hard to me  
I know your heart  
Is lonely too

Ooooooh  
I'm such a fool...  
You drive me crazy

[chorus]

But thanks for makin' close to you  
I can't help it, it's what I do, yeah  
Don't wait, just go  
Out of control  
I will explode...!
