I walk on the roof and I'm just killing time,
Up on the roof with all the sky around
I see you there
I watch your car drive by
Hey rock n rolls mine
Uh oh oh oh oh oh

I walk on the roof and Im gonna stick around
Aint nobody know when Im coming down
I see you there
I watch you going on by
Hey come along way
Uh oh oh oh oh oh

Woah, it'll blow your mind
That thing you find
When you're not looking
Hey Hey, its going to be so fine
Cos you and I are going to be together

I walk on the roof with all the sky around
Aint nobody know when im coming down
Hey turn around
Why don't you sing along
To this rock n roll song
Uh oh oh oh oh oh

Woah it'll blow your mind
That thing you find
When you're not looking
Hey hey hey hey its going to be so fine
Cos you and I
Are going to be together

Let stars come down and shine on us
There will be nothing left between us
We will be free as
The stars above and fools for love
Then we can do anything
If we can say
Yeah yeah yeah

Ooh ooh ooh ooh

Hey gather round
Hey come on take my hand
Cos rock n roll is ours
Uh oh oh oh oh oh

Woah it'll blow your mind
That thing you find
When you're not looking

Hey hey hey hey it's going to be so fine
Cos you and I
Are going to be together
Yeah hey ooh-ooh ooooh
