I often wonder how much longer will I be such a mess
It's masochistic tried to fix it, this is me at my best
And I made peace with no distractions and
disgressions
I'm so stupid but I'm sorry

Don't ask, yes, you didn't even care
And I'm cut to pieces, oh I'm falling here again
Shut in, shut out
You said you didn't mind
If I'm the one you leave behind
And nobody seemed to care
I'll follow you anywhere

So sick of scratching, heard you laughing
You just kicked me around
You build me up so how the next day
You just burn me back down
And contrary to popular belief it's all over
Forget about it, I'm sorry

Don't ask, yes, you didn't even care
And I'm cut to pieces, oh I'm falling here again
Shut in, shut out
You said you didn't mind (you shouldn't)
If I'm the one you leave behind
And nobody seemed to care
I'll follow you anywhere

I'll follow you anywhere

Sick of punching, kicking around
You build me up, you fucked me around
And I made peace with no distractions and
disgressions
I'm so stupid but you, shut in, shut out, yeah yeah
Shut out, yeah, yeah

You said you didn't mind
If I'm the one you leave behind (shut in, shut out)
And nobody seemed to care

I'll follow you anywhere (shut in, shut out)
And nobody seemed to care
