La La La La La La La La La La La La

Iâ€™ve been staying up too late  
I finished the bottle I canâ€™t see so straight  
Oh the foolish, foolish things Iâ€™ve done for love  
I spent every dime I had  
And what do you know?  
Now Iâ€™m dead and broke again  
Oh the foolish, the foolish things Iâ€™ve done  
Iâ€™ve done  
Itâ€™s just no use  
Oh the silly, silly things we do  
I shouldâ€™ve known, shouldâ€™ve known better with you  
Ainâ€™t that the truth  
What a fool, what a fool I was for you

La La La La La La La La La La La La

I called you at 3 am  
You finally picked up I said F\*\*\* being friends  
Youâ€™re the most foolish, the most foolish thing Iâ€™ve  
done  
Itâ€™s just, itâ€™s just no use  
Oh the silly, silly things we do  
I shouldâ€™ve known  
I shouldâ€™ve known better with you  
Ainâ€™t that the truth  
What a fool  
What a fool I was for you

Iâ€™m still a fool  
What a fool I am for you
