I never seen a miracle before  
I thought you were sent from Heaven's door  
But you knew all along you wouldn't stay  
You left me here to drown in this heartache

I feel in the water that you walked on  
Up to my heart in misery  
I can't believe you're gone I thought you could do no  
wrong  
'Til I fell in the water that you walked on

I just had to get close enough to touch  
Once I did I couldn't get enough  
But you're no where near what you appear to be  
Now I see the truth but I'm in to deep

'Til I feel in the water that you walked on  
Up to my heart in misery  
I can't believe you're gone I thought you could do no  
wrong  
'Til I fell in the water that you walked on

I feel in the water that you walked on  
Up to my heart in misery  
I can't believe you're gone I thought that you could do  
no wrong  
'Til I fell in the water that you walked on
