I found a girl who's got her own money  
She's so good lookin' that it ain't funny  
She's got herself a beauty school diploma  
Runner-up to Miss Oklahoma  
She looks uptown, but she ain't really  
She's into football, she likes my chili.  
Somebody slap me  
Somebody slap me  
Can't be this happy  
I said somebody slap me.  
I found a girl who's sweeter than honey  
She pets my dog and she likes my buddies  
The kind of girl who ain't afraid of nothin'  
She's independent, she does her own plumbin'  
Her daddy's rich but she don't let it show  
She likes to fish, she's got her own boat y'all.  
Somebody slap me  
Somebody slap me  
Can't be this happy  
I said somebody slap me.  
She's got long blond hair and her eyes are blue

She wants a husband but not any time soon, y'all.

Somebody slap me

Somebody slap me

Can't be this happy

I said somebody slap me.

Somebody slap me

Somebody slap me

Can't be this happy

Somebody slap me
