When you get on the whiskey let somebody else drive.
Started drinkin on friday and by saturday nite had be
blowin through a tube charg'd with dui.
Cuff'd and book'd and thrown in a cell.
I was tryin to sobor up and tell him myself.
(Repeat chours)

48 hours is a long is a
Long time to kill in a room full of drunks cover'd with
steel.
Hell's all the serve in a metro bar so dont be drinkin
