Bubble Gum (x4)

I saw you at homeroom  
with you hall pass  
You were only with your crew  
and had a lot of class  
Gonna get to know you  
as soon as i get a chance

Its not the kinda  
thing i do everyday  
Excuse me boy  
i just gotta know you name  
Something about the way you look  
got me going crazy  
Don't know what it is you do but ..

[CHROUS]

Boy , you're the one  
got me choking on my bubble gum  
And I know boy its you  
got me acting the way i do  
Boy , you're the one  
got me choking on my bubble gum  
And I know boy if you choose me  
like candy life , it'll seem so sweet

[VERSE 2]

All my friends are telling me  
That i should play it cool  
But something about me changes around you  
I can't help my self from acting like a fool  
Suddenly I seem to loose complete control  
Tryna keep my cool so that my nerves don't show  
Something you do , got me freakin out  
Oh baby , Can't you see what you do to me ..

[CHROUS]

Boy , you're the one  
got me choking on my bubble gum  
And I know boy its you  
got me acting the way i do

like candy life , it'll seem so sweet
