Let the lights twinkle  
As the DJ spins us out of this world  
We're having fun one on one all together now  
Put your hands up, put your hands up

Let's keep it simple  
No hatin' happenin' in here  
Only love goin' on all together now  
Put your hands up, put your hands up

We just having a good time  
That's what's up  
Good time, come party with us  
Good time, party with us

We just having a good time  
That's what's up  
Good time, come party with us  
Good time, party with us

You can lose yourself  
If you free your mind and open your soul  
Let it go now you know where the party at  
Throw your head back, throw your head back

Now the floor might melt  
Cause our feet are hot and losing control  
Put the beat on repeat here we go again  
Throw your head back, throw your head back

We just having a good time  
That's what's up  
Good time, come party with us  
Good time, party with us

We just having a good time  
That's what's up  
Good time, come party with us  
Good time, party with us

Good time, we are gonna have a good time  
Gonna stay up late and party, gonna have a slumber

party  
Good time we are gonna have a good time  
Gonna stay up late and party, gonna have a slumber  
party

We gonna have a good time  
And you?re gonna have a good time  
We?re all gonna have a good time

Hippiddy hoppiddy what?s it gonna be  
Tell me what you want  
Flippiddy floppiddy what?s it gonna be  
We be goin? off

Little by little by fiddle we flow  
Over and over and over we go  
Ya know  
That G O O D T I M E S P G, oh

We just having a good time  
That?s what?s up  
Good time, come party with us  
Good time, party with us

We just having a good time  
That?s what?s up  
Good time, come party with us  
Good time, party with us

Good time, we are gonna have a good time  
Gonna stay up late and party, gonna have a slumber  
party  
Good time we are gonna have a good time  
Gonna stay up late and party, gonna have a slumber  
party

Good time, we are gonna have a good time  
Gonna stay up late and party, gonna have a slumber  
party
