I'm the kind of girl who means what I say  
I'm not the type of girl who's gonna run away  
Through thick and thin I'm by your side  
There is nothing you need to hide  
From me  
I'll be right there  
If you ask me to  
If you need me to  
Anything you want  
Just ask  
If you ask me to  
I'll be there for you  
You know I got your back  
I got I got I got your back  
I got I got I got your back

You're the type of girl with both feet on the ground  
You're not the type a girl to change when others come  
around  
Even though life's a crazy ride  
In me you know you can confide  
Trust me I'll be right there  
If you ask me to  
If you need me to  
Anything you want  
Just ask  
If you ask me to  
I'll be there for you  
You know I got your back  
I got I got I got your back  
I got I got I got your back

Through thick and thin  
I got your back and I will always be here for you  
You can confide  
Your secret's safe with me locked up for all eternity  
You're safe within  
Inside our secret bubble I will save you from all trouble  
Nothing to hide  
Whoa-oh-oh oh-oh  
If you ask me to  
If you need me to

Anything you want  
Just ask  
If you ask me to  
I'll be there for you  
You know I got your back  
I got I got I got your back  
I got I got I got your back
