I won't be late to school
It's cause I really care about it
I will play by the rules
won't be a prima donna

Can't wait till three o' clock
History's almost over
Me and my girls will roll
Anywhere we wannna

I'm just a girl who like to have a little fun
Don't try to stop me no it can't be done

Chorus:
It's my life
And I'm just gonna live it tonight
And nothing's gonna stop me from seeing what I'm
dreaming
When I'm feeling
Leaves me screamin
You won't bring me down cause it's my life

Here comes another day
Learn stuff I really care about.
Teacher keeps calling me and I have all the answers

Music plays in my head
Daydreamin' bout the weekend
Two days and I'll be free
Then comes another Monday

I'm just a girl who like to have a little fun
Don't try to stop me no it can't be done

Chorus

I can't stay down for long
I'm young just singing my song
Watch me ad I float across the sky
Nothing can hold me back
I shoot stright from the hip so
Get ready I'm about to fly

It's my life
And I'm just gonna live it tonight
And nothing's gonna stop me from
Seeing what I'm dreamin
When I'm feeling
Leaves me screamin'
You won't bring me down cause it's my
You won't bring me down cause it's my life

It's my life
It's my life
It's my life
It's my life
