Music spinnin' all around the room  
I can't stop movin' cause I'm in the groove  
Just watch me snap my fingers  
It's like thunder  
Impossible for me to turn away  
The beat is gonna make you wanna sway  
Crazy and hypnotizing  
I'm under its spell 'cause  
I like the way the salsa moves  
Like the way the conga grooves  
Got me singing to it over and over and over again  
I like the way the salsa feels  
Makes me get up on my heels  
Wanna sing it to you over and over and over again

Suena musica con un tambor  
No pare en mi Corazon  
Quiero bailar al ritmo  
Quiero gozar  
No puedo salir del piso  
Mis pies bailan con el guiro  
Loca con movimiento  
Con emocion, pues

Yo quiero salsa con sabor  
Es la baile con calor  
Quiero cantarla, otra y otra y otra vez  
Es un extrano sensacion  
La musica se metio  
Entre el alma, otra y otre y otra vez

I don't really care if my feet are tired  
I don't wanna stop 'cause I'm so inspired  
I don't really care if my feet are tired  
I don't wanna stop 'cause I'm so inspired  
Bada ba ba bada ba

I like the way the salsa moves  
Like the way the conga grooves  
Got me singing to it over and over and over again..  
'cause  
I like the way the salsa feels

Makes me get up on my heels  
Wanna sing it to you over and over and over again  
Doot doot doot doot  
Doot doot doot  
Doot doot doot doot  
Doot doot doot  
Doot doot doot doot  
Doot doot doot  
Over - over  
Doot doot doot doot  
Doot doot doot  
Doot doot doot doot  
Doot doot doot  
Doot doot doot doot  
Doot doot doot  
Over and over and over again  
Over - over  
I don't really care if my feet are tired  
I don't wanna stop 'cause I'm so inspired
