Slumber Party
Slumber Party
Here we come
Movies, T.V, videos
Pager cell phone video
That's why we're called
The Slumber Party Girls
And we don't mess around
The Slumber Party Girls
We're coming to your town
We're gonna bring the coolness
We're gonna bring the heat
We're gonna bring the flavor
Minxin' up the beat
We're the Slumber Party Girls
We're gonna have some fun
The Slumber Party Girls
So don't forget anyone
We're gonna hang together
We're so glad you came
Don't forget our names
We're the Slumber Party Girls
The Slumber Party Girls!
On the run
Paparazzi Zanzibar
Private jets and movie stars
Saturdays and candy bars
Let us tell you who we are
Cassie, Lina, Mallory, Karla, Caroline
We're the slumber party girls
We're coming to your town
The slumber party girls!
