All I see before me are broken pieces, but in my dream
I caught a glimpse of You.

Awakened by the sound I'm captivated, falling more
each day in love with You.

Even now, I'm looking up to Heaven. Even now, You're
singing over me.

So I come amazed by You, amazed by You, Simply
amazed.

To look into the eyes of tender mercy, as they press the
thorns upon Your brow. How can it be that You were
thinking of me? Never knew such love until now.

Even now, I'm looking up to heaven, even now, You're
singing over me.

So I come, amazed by You, amazed by You, simply
amazed.

And I'm singing like it's the first time. And I'm singing
like it's the first time.

So I come amazed by You, amazed by You, amazed by
You. So I come amazed by you, amazed by You, simply
amazed.

With all my love, I've come undone, simply amazed.

With all my love for all You've done, simply amazed.
