For to long have you stolen. (This is the verse)
For to long have you taken.
For to long I have been quite.
For to long, For to long...

This is my warcry, this is my song. (chorus)
To destroy the kingdom of darkness
By Jesus' Name alone.
This is my warcry, this is my song.
To walk in the True Light
To claim victory in Your Name alone!

For all the broken, bruised and fallen. (verse 2)
For all the beaten, lost and wounded.
Hold on to Hope, Hold on to Love...
For Jesus' Kingdom is full of healing
Healing that flows from His scars...
So hold on dear ones to the Name
The Name of Jesus Christ.
(Chorus)

He fears the Name and rightly so... (verse 3)
Tremble, o ye strongholds,
Crumble, o ye walls,
Run for safety all ye wicked,
For the King rises up from the ashes
He will slay you with His Word...
Authority, rise up in Your Sons
Rise up and take ground for the Kingdom!
Authority rise!
(Chorus end)
