Ooh, ooh see we networking

C-Note, Botany/B.M.G.

Billy Cook Superstar, ooh we on the Boulevard

Ooh Clover Geez, we got those Nextels chirping

[Hook: Billy Cook - 2x]

On the Boulevard, hurting

Clover Geez, got them Nextels chirping

We steady, twisting up purp'n

Everybody. networking

[C-Note]

On the Boulevard hurting, for certain

Clover Geez, got the block on lock networking

Got the Nextel chirping, they know me in your city

Every nigga in the hood, sitting foreign some'ing pretty

I come through run through, run like I'm V-Dub

The second half of the game, but I ain't done

Keep rising to the top, till I'm number one

Networking on the block, till the sun come

If it's money to be made, I'ma go get it

Sometime the Penitentiary chances, gotta come with it

And the spot won't stop, it just keep rocking

Like A Spike Lee joint, we just keep clocking

Networking, like CNN

And my boys in Cashville, like to get it for ten

Like my nigga Young Buck, they done let me in

I'ma make it hard to breathe, you need oxygen

[Hook - 2x]

[C-Note]

Who you messing with homie, I keep them shooters

Even though I network, like Bill Gates computers

On the block with lugers, politicians and pimps

The Scarface on the block, wrote the name on a blimp

Fuck these niggaz be shrimp, cause nigga I be a shark

Still survival of the fittest, on the streets of South Park

Don't get caught in the dark, the pitbulls they bark

Don't let me catch you round here, cause it's lead they

spark

Yo them niggaz is marks, and they fall like snow
Network on laptops, in a candy G4
E-mails females, cell phones and faxes
Yeah you niggaz, couldn't pay off my luxury taxes
I'm a baller in the streets, mayn I'm out here hurting
Blowing trees making G's, steady sipping that purp'n
Steady sipping that yurp'n, yeah you know how it go
Nigga flyer than 3-60's, when I walk in the do'

[Hook - 2x]

[C-Note]

Escallade got the wheels, looking big as me
Cause a nigga network, like AT&T
All my niggaz on the block, call me Ceaser Lee
Cause I move big cheese, that amount to G's
Blowing purple trees, shows overseas
Either selling LP's, to the young Chinese
And I sting like bees, and don't make me swarm ya
Cause a nigga got them tools, that do more than harm
ya
All I do is warn ya, 'fore somebody get hurt
And everybody in your hood, have they face on your
shirt
Six feet in the dirt, your whole crew get merked
I'ma show you, how them Botany Big Shots network
I'll raise they skirts, niggaz think that I'm playing
From Kansas City to Watts, them niggaz know what I'm
saying
Them SK's be spraying, till somebody get hit
And we don't talk to police, so ain't nobody seen shit

[Hook - 2x]
