Every time you try to do what you can
To get the ass, all it's part of the plan
You settin' it up, you buyin' her stuff
You do it for the love 'cause you bucklin' up

Mac Nicholas, muh-fuck ready to
The S genuine, you envision the grind
She's already wit it, you just wanna dine
See now I'm going for mine plus to tell the truth y'all

It's been a long time, this chick, got me settin' up the
abeyance
If you ask me, yo it's time to get down
I turn up the music, get some bass in my sound
Quick dash to the bathroom cologne me down

Now, it's time to react
Back on the scene that's, Mack Nicholas mack
Tell her the place to be is the place where she's at
She's feelin' relaxed, my hands on her

I'm feelin' up this chick I'm feelin' up her flap jacks
Got a page from her girl said let me call Shaine back
Shaine said, "I had to leave the kids back at the flat
girl"
So she just pull up the, had to go and that's wack

Yo check it out yo, follow
Fellatio, interference, promiscuous, homosapiens
Come on
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens

You shouldn't a gave me a, in the first place
You should have put up the guard, since the first date
I know that it's hard but it's not the worst case
I told you straight from the starts that I was thirsty
For more than just one or two, shit, two or three
Can do much more than just one could do

Listen, it's good for ya health 'cause you know
I ain't the one to repeat myself, repeat myself

Repeat myself, repeat myself, repeat myself
Yo yo, why you playa hatin'?
I knew it was a reason for the separation
Girl said you told her that I was a super

See, I ain't even know that you could stoop so low
What the fuck you over here fo' what?
The girl she in the room what, there's the door
I'll tell her that you came and that you said, "Hello"
Word up

Fellatio, interference, promiscuous, homosapiens
Come on
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens

I wonder what happened to my nigga, cock block
I hate to see ya young Ox but up in a box
He became a dread 'cause he had a lock
On the flock in the place all on my jock 'cause I had
grace

Told cock block he could hop many women
Upon them never ever release your semen
Upon them is a materialized demon
Illustrious, succubus, do not trust
She see you when you coming, she know you wanna
bust

Now she got you sippin' on the clitoris, juice
Some of them juices is poisonous, juice
Shoulda took notes when the master spoke
Places in the pussy, you can provoke
You got what you want, your soul is ghost, ghost,
ghost, ghost

Fellatio, interference, promiscuous, homosapiens
Come on
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference, promiscuous, homosapiens
Fellatio, interference
