I don't know
Yo, yo, yo

I don't know why the fuck I'm fuckin' wit you
I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
You, you, you

Could ask my man, T3, I ain't the one to be
Played like a nigger that you use to play for money
And no time for acting, funky, with me
You best believe that you won't, do it

I'm influenced to like uh, you know
And then I pick up the phone shit, I don't know
She walks by casual says my loot is usual
Battin' says it's him too

To all my ladies in the place, I mean your whole crew is
like yeah
You know the S is my crew we rule, what man you know
We got a whole flock of niggas with glocks, you know
But I don't know why I'm fucking with you

Yo I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
You, you

It's like, you know, you scandalous as hell
Yeah I can tell, from your nails to the Chanel
Say whatever you doin', you doin' it well
You're jockin' my man R.L. too

Wait see you, shouldn't do the things you do
But you constantly do your bad self
Also you, love to, eh, eh
See I'ma get wit you so we can uh

And if you don't know, your shit is crucial

To all my people in the place if you need to know I
Rock with the band enough to say watch ya man
Do my shit on the dance floor and if you need to call
me
You know my number is 3 2 1 1 7 8 8

Yo, yo, why I'm fuckin' wit you
I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you

See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you
See I don't know why the fuck I'm fuckin' wit you

Aight, Jeff do what you do
C'mon
