yes, yes, even if the good old clouds along my way,
became frustrated philosophers for one day. no time,
no time, IÃfÃ...Ã Ã,ÃI keep it going, no time, no
time, IÃfÃ...Ã Ã,ÃI keep it going, no time, no time,
there is no reason for this, no time, no time, and there
is nothing to explain. I got no reason to complain. and
IÃfÃ...Ã Ã,ÃI keep it going... yes, yes, even if my
lucky lips were sealed once more and if I tomorrow was
much younger than before, no time, no time IÃfÃ...
Ã Ã,ÃI keep it going, no time, no time, donÃfÃ...
Ã Ã,Ã° mind and the choir goes, no time, no time, there
is no reason for this, no time, no time, and there is
nothing to explain. I got no reason to complain. and
IÃfÃ...Ã Ã,ÃI keep it going... no time, no time, there
is no reason for this, no time, no time, and there is
nothing to explain. I got no reason to complain. and
IÃfÃ...Ã Ã,ÃI keep it going
