then we f***e off we f***e away
just to find her and then I f*** a cop a
police a reminder and then it's a play our
play she's been off long ago but
I find her and then I'll be
back I will teach and rewind her and then
it's a play our play found herself a room
to hide but got herself identified by someone who was
walking by the pictures in the news today they made
her come back home and stay and end up with this
endless play
