I'll reach for you across the rocky mountains  
Take you to my old stone house  
And the sounds of bells will rise above us  
And will meet the sky  
They'll never die

And the sun will shed its golden fire  
And the sea will become an endless pyre  
And the mighty voice of angels' choir  
Will be blessing you and me

I'll reach for you across the rocky mountains  
Take you to my old stone house  
And the sounds of bells will rise above us  
And will meet the sky

And the sun will shed its golden fire  
And the sea will become an endless pyre  
And the mighty voice of angels' choir  
Will be blessing you and me

As the time will pass  
I will love you more  
The one I'll be living for

I'll reach for you across the rocky mountains  
Take you to my old stone house  
And the sounds of bells will rise above us  
And will meet the sky

And the sun will shed its golden fire  
And the sea will become an endless pyre  
And the mighty voice of angels' choir  
Will be blessing you and me  
Eternally
