You caught me smilin' again
You caught me smilin' again
Hangin' loose
'Cause you ain't used to
Seeing me turnin' on

You caught me smilin' again
You caught me smilin' again
I'll be gone
It won't take you long to
Climb a tree about me

You caught me smilin' again
You caught me smilin' again
I ain't doubtin' that
I'll be around to carry on

Hey, you caught me smilin' again
You caught me smilin' again
In my pain I'll be insane
To take your hand
