Pretty, pretty, pretty as a picture  
Witty, witty, witty as you can be  
Blind 'cause your eyes see only glitter  
Closed to the things that make you free

Ever stop to think about a downfall  
Happens at the end of every line  
Just when you think you've pulled a fast one  
Happens to the foolish all the time

Somebody's watching you  
Somebody's watching you  
Somebody's watching you  
Somebody's watching you

Games are to played with toys etcetera  
Love is to be made when you're for real  
Ups and downs are caused by life in general  
Some are yours no matter how you feel

Shady as a lady in a mustache  
Feelings camouflaged by groans and grins  
Secrets have a special way about them  
Moving to and fro among your friends

Somebody's watching you  
Somebody's watching you  
Somebody's watching you  
Somebody's watching you

Live it up today if you want to  
Live it down tomorrow afternoon  
Sunday school don't make you cool forever  
Neither does the silver of your spoon

The nicer the nice, the higher the price  
This is what you pay for what you need  
The higher the price, the nicer the nice  
Jealous people like to see you bleed

Somebody's watching you  
Somebody's watching you

Somebody?s watching you  
Somebody?s watching you

Somebody?s watching you  
Somebody?s watching you  
Somebody?s watching you  
Somebody?s watching you

Somebody?s watching you  
Somebody?s watching you  
Somebody?s watching you  
Somebody?s watching you
