Saxophone ,. Intro

1st Verse

Today is not like any other day,
it is a special day, a day filled with peace,
and all of the joy and blessings from above.

A box of chocolates, a bouquet of roses,
the heart tells of a story so sweet, confection truly
oozes.

A story, epic in its mystery, of a time to come, that will
soon be history.

This is a special day, one that the mind loves to cache
in its memory, a day of peace,
happiness, and love to be proclaimed throughout all
eternity.

Chorus

I wish that this day would never go away,
its' splendor has me in mortal bliss,
I wish that this day could always stay, as I revel in its'
serene kiss.

2nd Verse

Today is not like any other day,
it is a special day, a day filled with peace and all
of the joy and blessings from above.

A box of chocolates, a bouquet of roses,
the heart tells of a story so sweet, confection truly
oozes.

A story, epic in its mystery, of a time to come, that will
soon be history.

This is a special day, one that the mind loves to cache

in its memory, a day of peace,
happiness, and love to be proclaimed throughout all
eternity.
