1st Verse:

Jazzy Saxophone Solo Intro.

Chorus:

Random thoughts in my mind, random thoughts of a  
time, when everything was fresh and new, Random  
thoughts of a love so true,

Random thoughts  
So blue  
Random thoughts  
Sad but true  
Random thoughts  
Love is lost and gone  
Random thoughts  
Lost and all alone,

2nd Verse:

Jazzy Saxophone Solo Outro

Chorus:

Random thoughts in my mind, random thoughts of a  
time, when everything was fresh and new, Random  
thoughts of a love so true,

Random thoughts  
So blue  
Random thoughts  
Sad but true  
Random thoughts  
Love is lost and gone  
Random thoughts  
Lost and all alone,
