1st Verse:

All of the colors of the rainbow, long days and sultry
nights, the many stars in the midnight sky does show
of the sensation of Rio,

Lush and rich I see you as I stand here on the scene,
performing a sexy Salsa dance, adorned in reds,
gold's, and greens,

the night, in the Rio night up and down, around and

Through the fire you turned up the heat, nowhere else I
care to be, and nowhere else I want to go, but in the

Rio,

The wild orchids produce an aroma that only the
