Sitting with the thinker  
Trying to work it out  
It's a traffic jam of the brain  
Makes you want to scream and shout

Persons at a party  
No one wants to dance  
Looking for a new star  
To put you in a trance

Let's go all the way  
Let's go all the way  
Yeah yeah yeah yeah yeah  
Let's go all the way

Workin' in a factory  
Eight days a week  
Try to make dollar  
Downward of each

Cartoon capers  
Havin' a reality  
Rich man poor man  
Livin' in fantasy

Let's go all the way  
Let's go all the way  
Let's go all the way

Yeah yeah yeah  
Livin' in New York  
Looks like an apple core  
(Apple core)  
Asphalt Jungle  
Got to be a man of war

California dreamers  
Sinkin' in the sand  
(The sand, the sand)  
The Hollywood Squares are  
Living in Disney Land

Let's go all the way  
(Let's go all the way)  
Let's go all the way  
(Let's go all the way)

We can make a better way  
Let's go all the way  
Go all the way  
Let's go all the way, yeah

Na na na  
Na na na  
Na na na
