It's a family affair  
It's a family affair  
It's a family affair  
It's a family affair

One child grows up to be  
Somebody that just loves to learn  
And another child grows up to be  
Somebody you'd just love to burn  
Mom loves the both of them  
You see, it's in the blood  
Both kids are good to Mom  
Blood's thicker than the mud

It's a family affair  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Over there, over there

Newlywed a year ago  
But you're still checking each other out, hey  
Nobody wants to blow  
Nobody wants to be left out, uh-huh

You can't leave 'cause your heart is there  
But, sure, you can't stay 'cause you been somewhere  
else  
You can't cry 'cause you'll look broke down  
But you're cryin' anyway 'cause you're all broke down

It's a family affair  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Oh, hey, a family affair  
(It's a family affair)  
Ow  
(It's a family affair)

(It's a family affair)  
Oh

(It's a family affair)  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Well  
Do-do-do-do  
Hey-hey-hey  
(It's a family affair)  
(It's a family affair)
