Mein!
Tum!
Hum akelay hain..
Bekali ki chaon mein hum be-hiss jeetay hain
Jeetay hainâ€¦

Aarzoo, ab chupee hai kahan?
Uss dayaar-e-khaamashi mein, yeh dil hai jahaan!
Who jahanâ€¦

Ab Nahi hai, par woh hai kahan?
Hum hain kahaan?
Ghaafil hain sayay mein apnay jahan, hum hain wahan!

Ab lagay aisay jaisay zameen se bohat dur!
Ab jaisay aur aagay barhnay peh hain majboor!

Keh jaisay chaand aur taaray poochtay hain mujh seâ€¦
Kahaan hai teri zindagi, kahaan hai tu?
Kahaan tu?

Tum ne apnay ehssaas ko maar diya!
Phir tum ne uss ki mayyat ko jala diya!
Ab tum iss ki raakh par kharay hoâ€¦
Aur tumharee insaniyat aur tumharay darmiyan,
Ek khalla hai!
