ki badesh miad ke asheghet besh
tu delesh akse cheshmato bekeshe
ki badesh miad ke ba to bemune
ghadre mehrabuniato bedune

mikham az sedaye khandehat begam
vaghti ke ghalbamo jadu mikone
nemigam ama negahe ashegham
dastamo pishe hame ru mikone

ki badesh miad ke ba in khoobiat
zendegisho paye cheshmat bezare
tuye jashne dashtane dastaye to
vasse to sabad sabad gol biare

ki badesh miad ke ba dastaye to
khunasho tu asemuna besaze
pishe cheshmaye ghashango naze to
hameye setarehasho bebaze
