Well I think times are changing momma  
Break my spirit and kill my pride  
She might be the lawman's daughter  
But I'm gonna make that girl my bride  
I said, "Son I'm sorry but that can't happen"  
Our kind just don't mix with them  
You might love the lawman's daughter  
But your family's filled with wanted men

I said, "Oh, how bad could it be?"  
For a law filled girl to love a man like me  
Chasing ten car trains and whiskey dames don't mean  
a thing  
Just as long as I got her with me

Well you know that sheriffs been looking for you  
He knows y'all been robbing trains  
If he sees you with his daughter  
He won't stop 'til he sees you hang  
Well Christian hearts don't feed no families  
Guns and trains mean moneys good  
Tell that sheriffs that's been looking for me  
Hang me up, I wish you would

I said, "Oh, how bad could it be?"  
For a law filled girl to love a man like me  
Chasing ten car trains and whiskey dames don't mean  
a thing  
Just as long as I got her with me
