When I was a child everybody smiled, nobody knows  
me at all

Very late at night and in the morning light, nobody  
knows me at all

Now I got lots of friends, yes, but then again, nobody  
knows me at all

Kids and a wife, it's a beautiful life, nobody knows me  
at all

And oh when the lights are low  
Oh with someone I don't know

I don't give a damn, I'm happy as a clam, nobody  
knows me at all

Ah, what can you do? There's nobody like you. Nobody  
knows me at all

I know how you feel, no secrets to reveal, nobody  
knows me at all

Very late at night and in the morning light, nobody  
knows me at all

Nobody knows me, nobody knows me, nobody knows  
me at all
