she says forget what you have to do  
pretend there is nothing  
outside this room  
and like an idea she came to me  
but she came too late  
or maybe too soon  
I said please try not to love me  
close your eyes, I'm turning on the light  
you know I have no vacancy  
and it's awfully cold outside tonight

the rain stains the brick a darker red  
slowly I'm rolling out of her bed  
the rain stains the streets a darker black  
I dress my face in stone  
because I can't go back

I feel her eyes watching me  
from behind the curtain of her hair  
and she says I'm sorry  
I didn't mean to stare  
I say I think I really have to go now  
but oh baby, maybe someday  
maybe somehow.
