I'm sorry I didn't sound more excited on the phone  
I'm sorry that after all these years  
I've left you feeling unrequited and alone, brought you  
to tears  
I guess I never loved you quite as well as the way you  
loved me  
I guess I'll never really be able to tell you how sorry  
I am

And I don't know what it is about you  
I just know it's not what it was  
I don't know why red fades before blue it just does  
and I don't know what it is about me  
that I just can't keep still  
I keep thinking someday I will make this all up to you  
and maybe someday I will

I guess I never loved you quite as well  
as the way you loved me  
I guess I'll never really be able to tell you how sorry  
I am  
sorry I am  
sorry I am  
sorry I am
