I know how you're feeling, I've felt that way too
So don't get hung up 'cause it's healing
I'm gonna help you through your ...(?)
I can make it if you can, I can take it if you can
I know that your heart's strong
I know that you'll hold on
I can't make it without you
I can't make it without you
So open up your mind as well as your heart
I can't go on knowing you're not near me
Oh no no no no

I know that I could love you
'Cause you kiss me with your eyes
But if you ain't got the strength to make it with me
Well I can't sit by myself (now listen baby)
I can make it if you can, I can take it if you can
I know that your heart's strong
I know that you'll hold on
I can't make it without you
I can't make it without you
You know it's true girl
You know it's true girl
I can't make it without you
Get yourself together and under control

And take me women, I love you so
Yeah, yeah, yeah, yeah
I got to keep on tryin' for you
I can't make it without you no, no, no, no, no
Yeah, I got to sing the song of old times
