"My Mind's Eye"

I sit here every day looking at the sky
Ever wondering why I dream my dreams away
And I'm living for today in my mind's eye

Things are clearer than before
Showing me the way, asking me to stay
I'll never close the door to all these things and more
In my mind's eye

Everybody I know says I've changed, yeah
Laughing behind their hands, I think they're strange

People running everywhere, running through my life
I couldn't give a care because they'll never see
All that I can see with my mind's eye

Aaah aah - in my mind's eye
Aaah aah - in my mind's eye
