You can't lie to a liar don't try  
You can't cheat on a cheater  
I'll tell you why  
You see I lied myself before  
And I think I know the score  
You don't love me anymore

You can't sin on a sinner  
You're going to regret it  
You can't fake on a faker now  
You'd best forget it  
You see I fooled around before  
And I think I know the score  
You don't love me anymore

[Chorus:]

Well I lied and I cheated but I never, never  
Thought I'd have it done to me  
Now you've gone just as far as I'm going to let you go  
I'm not going to let you make a fool of me
