"Heroin"

Visit "[Heroin](#)" on MotoLyrics.com

While you were walking round Powis Square
I was in Highgate, Y'all know where
And you was wearing all my favourite clothes
Coz they looked much better on you

Your love brings me down like heroin
Be the hero in the end in the end of the film
Be the hero in the end in the end of the film
Be the hero in the end in the end of the film

When I come home you ask me why
I tell you the truth smacked up in a lie
All I said was all I'd say
It never really got me anyway

Your love brings me down like heroin
Be the hero in the end in the end of the film
Be the hero in the end in the end of the film
Be the hero in the end in the end of the film
