Goodbye...
To out of England
The pain never fades away after all these times

Word war...
And revolutions
The hat and the heart of England never dies

Bringing home the ashes
It's more than I can bear

Goodbye...
Chained of sorrow
The curse of a thousand year beneath the gloves
Warm down and hardly breathing
The hat and the heart of England never dies

Bringing home the ashes
It's more than I can bear

When winter lightning flashes
You'll find me all way there

Bringing home the ashes
It's more than I can bear

When winter lightning flashes
You'll find me all way there

Word war...
And revolutions
The hat and the heart of England never dies

Bringing home the ashes
It's more than I can bear

Goodbye...
Chained of sorrow
The curse of a thousand year beneath the gloves
Warm down and hardly breathing
The hat and the heart of England never dies

Bringing home the ashes
It's more than I can bear

When winter lightning flashes
You'll find me all way there
