My name's Dan  
I am the banjo man  
If you wanna be my fan  
Send me a telegram  
I will come and sing my shang-a-lang  
Doing the best I can  
And you will smile again  
Nothing will be the same  
Everybody loves the banjo man  
And if I'll sing in vain  
I'm not to blame  
Don't ever call me Sam the sham  
That was my daddy's name  
My Mummy called me Dan  
And I'm the banjo man  
So I ask you  
Would you please throw  
Another coin  
Right in the can  
Then I'll sing you a song  
Called Dan the banjo man  
O  
would you please throw  
A coin in the can  
And I'll sing you a song  
Called Dan the banjo man
