"Stand Up"

Visit "[Stand Up](#)" on MotoLyrics.com

The world has gone crazy, the country's a mess
You open your eyes and you just get depressed
If you take what they give you, they'll keep all the rest
Stand up and tell 'em you're here!

CHORUS:

Stand up, stand up and tell 'em you're here
Shout it out loud for the whole world to hear
They're long overdue for a kick in the rear
Stand up and tell 'em you're here!
Oh the problems are so hard and talk is so cheap
Counting the crises is like counting sheep
You can count on the experts and go back to sleep
Or stand up and tell 'em you're here!

CHORUS

Wen you're fed up with being ignored and abused
You're a mighty big bomb with a mighty short fuse
Yes, we'll make 'em an offer they cannot refuse
When we stand up and tell 'em we're here.

CHORUS (...tell 'em we're here
