#### CHORUS:

I want a hug when we say hello

I want a hug when it's time to go

I want a hug 'cause I want you to know

I'm awfully fond of you.

I want a hug--what a wonderful feeling

I want a hug--to feel you squeezing

I want a hug--it certainly seems like

The natural thing to do!

When I was a little bitty baby child, my momma used to  
hold me tight

My daddy used to come and pick me up when I got  
scared at night

The years have passed, I've grown so fast, and mostly I  
feel strong

But timid or bold, I'm never too old to sing this cozy  
song.

#### CHORUS

Now some folks don't like hugging--they think they're  
too tough

I bet they'd be a whole lot friendlier if they were just  
hugged enough

When you hug the ones who love you, an amazing  
thing you learn

When you give a hug , you just can't help but get one in return!

#### CHORUS

Sometimes grownups are grouchy and they put the blame on you

Sometimes you make just a little mistake though you did the best you could do

Sometimes love is everywhere and it's a beautiful day

And every time is the perfect time to open your arms and say:
