Oh everybody talks too muchâ€œ
About the way a girl struts her stuffâ€œ
Oh they try to make her beauty all about the dress she wears
Nothing wrong with being beautifulâ€œ
Nothing wrong with looking lovelyâ€œ
When the outside speaks of what the inside symphony sings
Girl you're deeper than this skin
Your beauty is deeper than this skin
Deeper deeper stillâ€œ
Whoa whoa whoa whoa
Nothing wrong with being confidentâ€œ
But baby girl where is your confidenceâ€œ
When somebody rips your heart inside outâ€œ
Girl where is your headâ€œ
Are you gonna let them tell you what your worthâ€œ
Let it change how you walk, how you eat, how your work
Are you gonna hang your head down lowâ€œ
Cause you're not what they're looking for
Girl you're deeper than this skin
Your beauty is deeper than this skin
Deeper deeper still
Nothing wrong with having big big dreams
Don't let nobody tell youâ€œIt ain't happeningâ€œ
When you work your way to where you're going
Make sure you don't step
All over somebody who needed youâ€œ
Someone who looked up to youâ€œ
She wanted what's inside you couldn't find it on her own
(chorus)
I have one wishâ€œa deep desireâ€œ
It seems so out of reachâ€œ
That every woman in this world would see just what God sees
When he created herâ€œ
When he knitted her togetherâ€œ

Oh every woman would join me and sing
I'm deeper than this skinâ€™
My beauty is deeper than this skin
Deeper deeper stillâ€™
My beauty is deeper than this skin
I'm deeper than this skinâ€™Deeper deeper still
I have one wishâ€™a deep desireâ€™
Is anybody out there?â€™Any body out there? Anybody out there listening
