Vangelis)

Hold it there

Try to imagine

Songs of heaven in motion

Singing songs of devotion

Say it's all possible

But it's easier said than done

Twice as close

Bringers of wisdom

Simply trying to touch

Put a spell on you

Say it's all possible

But it's easier said than done

Think for a reason

It's easy to please

Thoughts of a love world

Where innocence leads you

To a magical high

When someone you remember

Helps by telling you why, why

Why there is worship

Deep, deep within
Not so easily seen
Or amazingly witnessed
A spell on you
It's already said and done
Hold it there
You can imagine
All of heaven in motion
Special songs of devotion
Say it's all possible
But easier said than done
Think of a season
So easy to reach
Thoughts of a good world
Where innocence leads you
To a magical high
When someone you remember
Helps by telling you why, why
Why there is worship
Deep, deep within
Nor so specially seen
Or amazingly witnessed
A spell on you
It's already said and done
See it clear

Sounds of emotion

Spreading all or' the world

Bringing peace for a moment

Sa it's all possible

It's already said and done

Already said and done

Already said and done

Already said and done

Already said and done
