Jon Anderson/Lamont Dozier)

There you have it

You see this love regretting

There's something wrong again

But you had it

In the palm of your hand

Your heart has started bleeding

You gotta get out

You're leaving

You're on your own forever

It's not the space or time or whether

You can leave

You want, you can't have

You need, you can't touch

You plead, it's enough, enough

There's something happening to ya

Love can see right through ya

In a world of make believe

Don't go throwing it all away

Hold on to love

Hold on to love

Treat it as a good thing  
Be always ready  
With that electric feeling  
You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go  
Hold on, hold on  
Hold on, hold on  
The more and more yo uhear it  
The more it seems to make sense  
To hold love in the palm of your hand  
But you think that round the corner  
They're queuing up to hold her  
But that won't make a difference in the end  
There's never space or time or whether  
Yo u can leave  
You want, you can't have  
You need, you can't touch  
You plead, it's enough, enough  
There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away  
Hold on to love

There's nothing more important

Treat it as a good thing

Be always ready

With that electric feeling

You work so hard

To be in love with her

She tries so hard

You gotta let it go

Hold on, hold on

Hold on, hold on

Hold on, hold on

You work so hard

To be in love with her

She tries so hard

You gotta let it go

Hold on, hold on

Hold on, hold on

Hold on, hold on

Hold on to love

There's nothing more important

Hold on to love

Don't let it pass you by

Hold on to love

There's nothing so important

Hold it in the palm of your hand

Yeah, yeah

Hold on to love

There's nothing more important

Hold on to love

Don't ever let it pass you by

Hold on to love

Hold on to love

Treat it as a good thing

Treat it as a good thing

Treat it as a good, good thing
