+ To The Runner +

Hold come a day dream  
Ask a flower to kneel  
as you pray to the runner

Spurn all ye kindle  
and cradle his sweet pleasure  
as you just look  
farther and farther beyond him,  
beyond him, beyond him

Call for the giver, the taker  
rejoicing  
as you just look  
farther and farther beyond him,  
beyond him, beyond him

Spurn all ye kindle and cradle his sweet pleasure

In it all  
to the devil take  
In it all  
to the devil take
