Rushing here and there, I'm told to slow down

Just relax, take your time, don't move so fast, so fast

Tempers in the air, I'm told to slow down, ease back

By the fire, feel free, feel free

People pushing by and why

I don't mind, take my time, there's no raace

Life is fine, life is fine

Come and take my hand and we'll be in a dream

Just relax, there's no rush, take your time

Take your time

CHORUS

Worry's on your mind, always try to find happiness

Looking everywhere, life is but a care

Love will come always to you

Rushing here and there, I'm told

To slow down, just relax, take your time, don't move so fast

Tempers in the air, I'm told to slow down

Ease back by the fire, feel free, feel free

CHORUS

People pushing by and why

I don't mind, take my time, there's no race

Life is fine, life is fine

Come and take my hand and we'll be in a dream

Just relax, there's no rush, take your time

Take your time
