So many days they have gone
Some days they never end, I don't know
I've been waiting in line
But you won't let me in, to the show

You don't know me, but I know you
Yeah I know you well, is it true?
What I've seen and what I've read and all the shit they
sell
Sold by you know who

Don't you know who I am?
Don't you know who I am?
Don't you know who I am?

Don't you know who I am?
I'm the man in the back of the line
Don't you know who I am?
I'm the man that you push to the side
Would you like a slap in the face
I'm a waste of your so previous time
Don't you know who I am?
I'm the man that you push to the side

So many days, are the same
Some never come again, wait and see
I've been waiting in line
But you won't let me in, remember me?

You don't know me but I know you
Yeah I know you now, is it real?
What I've seen and what I've read, the shit that you
allow
I know it feels feel

Don't you know who I am?
Don't you know who I am?
Don't you know who I am?
I'm the man in the back of the line
Don't you know who I am?
I'm the man that you push to the side
Like a slap in the face

I'm a waste of your so precious time
Don't you know who I am?
I'm the man that you push to the side

Don't you know who I am? Yeah
Don't you know who I am? Yeah

Don't you know who I am
I'm the man in the back of the line
Now you see right through me
You used me and messed with my mind
You don't know how it feels
But the feelings beginning to rise
Don't you know who I am
I'm the man in that you pushed to the side

Don't you know who I am?
Don't you know who I am?
Don't you know who I am?

Don't you know who I am?
I'm the man in the back
Don't you know who I am?
I'm the man that you pushed
Don't you know who I am?
I'm the man that you fucked
Don't you know who I am?
Don't you know, don't you know, you know?
