Sorry, now that I let you go  
You were the better part of me I know  
If only I could show that  
Baby, I love you

When the light illuminates the scene  
I try to shake this heart of mine  
From off my dirty sleeve  
Call me a fool or maybe just naive  
As all I have to share this place  
Is my own company

Yeah  
Give me the strength I can trust  
Give me the will to ignite  
I know what it's like

Sorry, now that I let you go  
You were the better part of me I know  
If only I could show that  
Baby, I love you

You linger on like a melody  
You gave me so much more  
Than you received  
If only I had seen  
Baby, I love you

Like a kite I navigate the air  
If only I flown higher then  
If only I had dared  
And who's to say that life can be unfair  
I deserved all that I had got  
It's all that I could bare

Yeah  
Give me the strength I can trust  
Give me the will to ignite  
I know what it's like

Sorry, now that I let you go  
You were the better part of me I know

If only I could show that  
Baby, I love you

You linger on like a melody  
You gave me so much more  
Than you received  
If only I had seen that  
Baby, I love you

Oh, can you see that  
You belong with me?  
I will carry your hurt  
It's a burden I learned

I'm sorry that I let you go  
You were the better part of me I know  
If only I could show that  
Baby, I love you

You linger on like a melody  
You gave me so much more  
Than you received  
If only I had seen that  
Baby, I love you

I'm sorry that I let you go  
You were the better part of me I know  
If only I could show that  
Baby, I love you

Baby, I love you  
Baby, I love you
