Singing Gloria  
Living Gloria  
And the light so shines that everyone will see

Glory to God  
I want to make what I've been feeling so  
I've been living with  
Specific boundary lines and given warning signs  
It comes down to me

Singing Gloria  
Living Gloria  
And the light so shines that everyone will see

I'm bringing Gloria  
Giving Gloria  
To the father may the greater glory be

And once again, I start the day  
Part of the mystery, of overcoming sin  
While feeling less than meek and gentle  
Knowing what's new testamental  
Then they'll see me

Singing Gloria  
Living Gloria  
And the light so shines that everyone will see

I'm bringing Gloria  
Giving Gloria  
To the father may the greater glory be

Knowing this that my redeemer finds me free  
The best that I can do is live what I believe  
Use my gifts and all my opportunities  
To let my words and deeds agree

Singing Gloria  
Living Gloria  
And the light so shines that everyone will see

I'm bringing Gloria

Giving Gloria  
To the father, I'll live  
To the father, I'll bring  
Sing Gloria
